

1 type of political machine or political hierarchy that
2 these District judges, however so inclined they might be,
3 we hope they will not be, by virtue of the power to ap-
4 point commissioners. It is not that these commissioners
5 will be part-time employees.

6 In the first place, I think it probably will be
7 extremely difficult in some areas to find exactly the type
8 of individual who will accept this type of assignment. It
9 is a troublesome one. The need can occur at any time
10 of the day or night, holidays as well as weekends, and to
11 perform the responsibility efficiently and well, to accom-
12 modate the needs of the District Court, you must have an
13 individual who is amenable to suggestions and advice and
14 counsel from the District judge.

15 Accordingly, it is felt that it would definitely
16 weaken the court structure, administration and efficiency

17 the majority envisions for this judicial article if
18 The appointment, tenure and responsibility of these com-
19 missioners is not entirely and directly to the District
20 judges.

21 This idea is not unique. This is not the first
